## TRIP TO FAIR DECLARED PRACTICALLY ASSURED AFTER CONFERENCE WITH SWANSON

Trip to Fair Declared Practically  
Assured After Conference  
With Swanson.

TO BRING OFFICIAL PARTY  
Special Train, It Is Stated, Will  
Carry Delegation of Vir-  
ginia Members.

The Times-Dispatch received the follow-  
ing by telegraph from its Washing-  
ton correspondent last night:

"Information given to The Times-  
Dispatch to-day was to the effect that  
after a visit of Senator Swanson this  
morning it is practically assured that  
President Wilson will visit Richmond  
during the State Fair, although it was  
said that Congressman Montague was  
also expected to see the President to-  
morrow about the matter. Not until  
after to-morrow's visit, it was stated,  
will an exact date be fixed, but it  
seems that there is no doubt that the  
trip will be made.

"In addition to the details of the  
proposed trip which Senator Swanson  
went over with the President, the  
former was at the White House a few  
days ago, it is understood that the  
matter was further gone into to-  
day's meeting.

"To Discuss Local End.  
"It is probable that at to-morrow's  
conference local conditions will be dis-  
cussed with Mr. Montague, as he, of  
course, knows more about such matters  
than any one else in the Virginia dele-  
gation.

"While nothing has been announced  
as to who will go to Richmond on the  
trip, it is almost certain that the Pres-  
ident, unless plans are changed,  
will be accompanied by several mem-  
bers of the Virginia delegation, among  
them being Senators Montague, Glass, Jones  
and others. It is quite probable that  
other members of Congress will be  
aboard the President's special when it  
leaves Washington for Richmond.

"While the White House stated that  
a definite decision would not be made  
until to-morrow, it is almost certain  
from what was said that the Presi-  
dent will attend the fair.

Heavy Sentence for Taxidors.  
Andrew Taxidors was fined \$100 and costs,  
sentenced to serve sixty days in jail and  
placed under \$200 bond for good behavior  
for twelve months yesterday morning in Pol-  
ice Court when he was convicted of selling  
liquor without a license on September 7 at  
1509 East Main Street. He noted an appeal  
to the Hustings Court.

B. F. Smith asked the committee to  
change the northeastern line to in-  
clude Hermitage Park. The commit-  
tee's line in that section runs 300 feet  
west of Hermitage Road, and takes in  
about one-third of the development.  
The owners of Hermitage Park sub-  
mitted that to take part of the de-  
velopment in and leave part of it out  
would create dissatisfaction among the  
purchasers of the lots in the subdivi-  
sion, some of whom might feel that  
they had been discriminated against.

The change could only be made upon  
a reconsideration of the action of the  
committee at the last meeting laying  
down the annexation lines as described  
in the ordinance. Alderman Gill-  
man moved such a reconsideration, and  
proposal was strongly opposed by Al-  
derman Puller and Councilmen Jones  
and Umlauf, who feared that if the  
change were reopened the whole mat-  
ter would again suffer delay and con-  
tinuation. The courts, they pointed out,  
as final arbiters of the annexation  
plan, will afford the desired relief if a  
meritorious case is shown.

Worked Seven Months.  
Appointed last as a member of the An-  
nexation Committee, he worked seven  
months to put into concrete form the  
ordinance which, it appears, will now  
be presented to the Common Council  
at its meeting on October 6. The plan  
held about fifteen meetings, made three  
automobile tours of the territory to be  
annexed, and has spent little more than  
half of the \$500 appropriated for the  
work by the Council.

With the united support of the com-  
mittee behind it, the annexation or-  
dinance, it is believed, will undergo no  
material changes in passage. The new  
lines have received a great amount of  
publicity, and objection to them has  
been raised only after the ordinance was  
presented. There is no reason to believe  
that more serious objection will be en-  
countered in the Council.

Delinquent Companies May Be Fined  
by Corporation Commission.  
Failure to make reports of their  
business and on other subjects, as  
required by law, will result in fines  
imposed by the State Corporation Commission  
during the following week. Delinquent  
heat and power companies to appear  
on Wednesday, November 5, at 10  
o'clock to show cause why they should  
not be fined.

Company; Pennington Light Company,  
Incorporated; Petersburg Aqueduct  
Company; St. Paul Company; Staunton  
Telephone Company.

HELD AS FUGITIVE  
Sixteen-Year-Old Girl Wanted in  
Newport News for Larceny.  
Edna Whitney, alias Edna Powell,  
sixteen years old, was wanted by De-  
tective-Sergeants Wiley and Keenan  
on the charge of being a fugitive  
from justice in Newport News, where  
she is said to be wanted for stealing a  
quantity of jewelry. An  
officer came for her last night.

The girl was found by the officers  
at work in a local tobacco factory,  
where she had just secured employ-  
ment. She came to Richmond on Sun-  
day. She denied any knowledge of the  
charge against her, and submitted  
calmly to arrest.

Men Make Good Showing, and  
Major Bowles Is Highly  
Gratified.  
The annual State inspection of the  
Richmond Light Infantry Blues Bat-  
talion was held last night in the Blues'  
Armory. The inspection was conducted  
by Lieutenant-Colonel J. Lane Stern.  
There was an almost complete attend-  
ance of the company, and the bat-  
talion made a fine showing as it passed  
in review before Major Bowles. The  
major was well-pleased with the  
equipment and the appearance of the  
company, and expressed himself as  
being well-pleased with the appear-  
ance of the men and with the manner  
in which they bore themselves dur-  
ing the inspection. Headquarters and  
equipment were inspected in the after-  
noon. After the review there was an  
informal dance, music being furnished  
by the battalion band. Announcement  
was made that there would be a bat-  
talion drill on Tuesday and Wednes-  
day. The Blues will act as an escort to  
the United Daughters of the Confederacy  
in their trip to the State Fair, where  
the convention is to be held.

Songs and yells for the football game  
on Saturday night were heard at  
Richmond College were practiced  
the gymnasium, and a large number of  
the soldiers will play the eleven of  
the team on October 11, when  
it will play at Williamsburg. A special train  
will be run to Williamsburg at 4  
o'clock, and returning about mid-  
night. The Blues will be entertained  
after the game.

Mr. Braxton Not Seriously Ill.  
Telegrams received from Atlantic  
City by members of his family in  
Staunton, stated that the condition of  
Allen Caperton Braxton, was serious,  
but when his brother arrived at the  
resort he found that Mr. Braxton was  
simply suffering from a severe cold,  
and that he was recovering. Mr. Braxton  
has been in Atlantic City for some  
time, and his friends who had been alarmed  
by earlier reports.

Shooting Charge Dismissed.  
James Lewis was acquitted yesterday  
morning in Police Court of the charge  
of shooting a man on Tuesday night  
while the latter was asleep in a barn on  
the property of Legan's Club, near Oakwood  
Cemetery. Lewis, who was acting as watch-  
man, mistook Noble, who was privileged  
to sleep in the barn, for a chicken thief, and  
fired upon him with a shotgun. The lead  
bullet hitting the victim at the  
hearing indicated that the shooting was  
purely accidental.

Alleged Reckless Driver.  
James J. Jones, colored, was arrested  
yesterday by Patrolman Gary on the  
charge of recklessly driving a team  
through the streets.

## ANNEXATION PLAN IS NOW COMPLETE

Committee Agrees Not to Permit  
Further Changes in Ordinance  
as Drawn.

WESTERN BUGABOO LAID LOW  
Much Mooted Line Is Permitted  
to Stay Where Last Meet-  
ing Placed It.

The Special Council Committee on  
Annexation met at 5 o'clock yesterday  
afternoon and voted a solemn vow  
that it would under no consideration  
consider any further changes in the  
annexation ordinance as drawn and ap-  
proved at the meeting of September  
11, and that all further grievances,  
alleged or real, will have to be settled  
by the courts.

The vow was not made a part of  
the record, but it was emphatically re-  
peated in speeches by Alderman Puller  
and Councilmen Jones and Umlauf, and  
was tacitly agreed to by the other  
three members in attendance.

In token of the winding-up, Chief  
Clerk Powers directed the City Engineer  
to proceed at once with the prepara-  
tion of the ordinance, and on Monday  
the committee will meet to give the  
committee as soon as the map and ordi-  
nance are ready for distribution. The  
committee will then hold a final meet-  
ing to send the ordinance to the Coun-  
cil with its unanimous approval.

Western Bugaboo Laid Low.  
The bugaboo of the western bound-  
ary, which has been the champion  
of the annexation plan, was yesterday  
laid low forever. At the last meeting  
it had caused a two-hour debate. Even  
Councilman Umlauf, who throughout  
has insisted upon placing the western  
line as far east as possible, in the  
crucial moment, agreed to let the line stay  
where it is.

According to the ordinance, which  
now has the committee's united ap-  
proval, the western boundary of the  
new city, between Grove Road and  
Monument Avenue, will be a line run-  
ning 20 feet and four inches west of,  
and parallel to, the Grove Road. The  
western boundary through Chan-  
chilly—now Monument Avenue  
Park—will lie 150 feet west of, and  
parallel to, Blacker Street.

To Change Line.  
B. F. Smith asked the committee to  
change the northeastern line to in-  
clude Hermitage Park. The commit-  
tee's line in that section runs 300 feet  
west of Hermitage Road, and takes in  
about one-third of the development.  
The owners of Hermitage Park sub-  
mitted that to take part of the de-  
velopment in and leave part of it out  
would create dissatisfaction among the  
purchasers of the lots in the subdivi-  
sion, some of whom might feel that  
they had been discriminated against.

The change could only be made upon  
a reconsideration of the action of the  
committee at the last meeting laying  
down the annexation lines as described  
in the ordinance. Alderman Gill-  
man moved such a reconsideration, and  
proposal was strongly opposed by Al-  
derman Puller and Councilmen Jones  
and Umlauf, who feared that if the  
change were reopened the whole mat-  
ter would again suffer delay and con-  
tinuation. The courts, they pointed out,  
as final arbiters of the annexation  
plan, will afford the desired relief if a  
meritorious case is shown.

Worked Seven Months.  
Appointed last as a member of the An-  
nexation Committee, he worked seven  
months to put into concrete form the  
ordinance which, it appears, will now  
be presented to the Common Council  
at its meeting on October 6. The plan  
held about fifteen meetings, made three  
automobile tours of the territory to be  
annexed, and has spent little more than  
half of the \$500 appropriated for the  
work by the Council.

With the united support of the com-  
mittee behind it, the annexation or-  
dinance, it is believed, will undergo no  
material changes in passage. The new  
lines have received a great amount of  
publicity, and objection to them has  
been raised only after the ordinance was  
presented. There is no reason to believe  
that more serious objection will be en-  
countered in the Council.

Delinquent Companies May Be Fined  
by Corporation Commission.  
Failure to make reports of their  
business and on other subjects, as  
required by law, will result in fines  
imposed by the State Corporation Commission  
during the following week. Delinquent  
heat and power companies to appear  
on Wednesday, November 5, at 10  
o'clock to show cause why they should  
not be fined.

There was an almost complete attend-

## OFFICERS SEIZE DISTILLING PLANT

Found It in Operation at Night  
After Storekeeper-Gauger  
Had Gone Home.

MADE SECRET EXAMINATION  
Men at Work When Raiders  
Arrived Fled Without Wait-  
ing to Explain.

Under orders of United States Collec-  
tor of Internal Revenue M. K. Lowry,  
the plant of the Eastern Distilling  
Company, near Portsmouth, was seized  
yesterday by Deputy Collector C. P.  
Carter and Special Employee Sifford for  
alleged violation of the internal revenue  
laws. The revenue officers allege that  
they found the distillery in operation  
in the absence of the government  
storekeeper-gauger in direct violation  
of law. No arrests have been made,  
but Revenue Agent Chapman is ex-  
pected to receive word of one or more  
arrests at any moment.

Colonel Chapman received a message  
report of the seizure yesterday by mail  
and this was followed by a long-dis-  
tance telephone message. The complete  
report of the affair will be in his hands  
this morning. The government officials  
say they have been suspicious of this  
plant for some time, and on Monday  
Colonel Chapman sent Carter and Sifford  
to Portsmouth on a special mis-  
sion. From his officers Colonel Chap-  
man learned yesterday that after  
watching the plant day and night they  
saw it start work late in the evening  
after the government storekeeper-gauger  
had left for the night.

Men at Work Ran Away.  
On approaching the distillery the  
revenue officers were seen and the men  
at work ran away. Without attempt-  
ing pursuit Carter and Sifford examined  
the plant and found evidence of mash-  
ing. The Eastern Distillery has a  
capacity of about 300 gallons daily.

This case is not unlike the recent  
seizure of the Beaver Dam Distillery,  
in Neckburg County. The proprietors  
and the storekeeper-gauger were ar-  
rested when revenue officers discovered  
the distillery operating in the absence  
of the government storekeeper-gauger.

The men who were operating it  
were arrested and taken to the  
United States District Court. The  
case is now pending in the court.

WOMAN'S COLLEGE  
WILL OPEN TO-DAY  
Number of Matriculates Already  
Exceeds Record of Previous  
Years—Faculty Changes.

Although the formal opening of the  
Woman's College is scheduled for to-  
day, the advance matriculation already  
exceeds that of any corresponding day  
in previous years, and indicates that  
the institution will have the largest  
enrollment in its history. The day  
patronage is unusually large, while  
more than half of the States in the  
Union are represented by the boarding  
schools.

There are several changes in both  
the academic and musical departments  
of the college. Among the new assign-  
ments of instructors are the following:  
Miss Helen Baker, M. A., Columbia  
University, dean of the faculty and  
principal; Miss Mary Gregory Hume,  
University of North Carolina, Latin  
and Greek; Miss Isabelle Harris, Rich-  
mond College and Chicago University,  
mathematics; Miss Mary Carter An-  
derson, German and German literature;  
T. C. Summers, moral and natural science,  
and Dr. P. C. Woodward, English and  
English literature.

In the department of music, Miss Jo  
Ford-Frank, of Louisville, Ky., and  
New York, will succeed Mrs. Martin as  
instructor of voice. The former mem-  
bers of the musical faculty, Professors  
Reinhardt, Ukle and Galbraith, Mrs.  
Armistead and Miss Taylor, will return.  
Miss Beauchamp will have charge of  
the piano department, and Miss Law-  
son will continue as principal of the pro-  
fessory department, and Miss Whit-  
field will have charge of the art de-  
partment.

The entire school building has been  
renovated and put in thorough re-  
pair for the opening. It is expected  
that the enrollment will exceed 250 be-  
fore the classes begin their actual schol-  
astic work on Monday morning. Among  
the States represented among the ma-  
triculates during the past few days  
were Washington, Oklahoma, Texas,  
Georgia, Ohio, North Carolina, South  
Carolina and others.

Suits for \$1,500.  
Suits for \$1,500 were filed yesterday in the  
Equity Court by the McGraw-Yar-  
brough Company (Inc.) against the Rich-  
mond, Fredericksburg and Potomac  
and Richmond and Petersburg Railroad  
Company. The suit is to recover for al-  
leged damages to the plaintiff's auto-  
mobile, which was more or less wrecked when it  
ran into one of the railroad gates at Frank-  
lin and Belvidere Streets on July 25.

Resisted Policemen: Fined \$20.  
A fine of \$20 and costs was imposed upon  
Clinton Riddell yesterday morning in Pol-  
ice Court for being drunk, disorderly and  
resisting Patrolman W. A. Moore on Tuesday  
night. Moore was called to a school in  
Broad Street near Seventh to eject Riddell  
because of his conduct. After the officer  
led him into the street Riddell put up  
an ugly fight, and it was necessary for  
Moore to use his club before he was sub-  
dued.

Qualifies as Executor.  
M. L. West qualified yesterday in the  
Chancery Court as executor of the estate  
of Lewis West. The estate is valued at \$5,000.

HEAR IN INDICTION  
ARGUMENTS LATER  
Attempt to Stop Sale of Liquor  
at State Fair Is Postponed  
for a Few Days.

Owing to the unexpected absence of  
Judge R. Carter Scott, of Henrico Cir-  
cuit Court, Attorney W. A. Willeroy,  
counsel for the complainants, has de-  
cided to postpone action on the applica-  
tion for an injunction to restrain the  
Virginia State Fair Association, Inc.,  
from exercising the privileges granted  
it by the State Fair Association, Inc.,  
it was decided yesterday, when the ab-  
sence of Judge Scott was called to Mr.  
Willeroy's attention, to have Judge  
William A. Moncreu, of the City Chan-  
cery Court, hear the arguments in the  
cause, but later this plan was dropped,  
it being thought advisable to await  
the return of Judge Scott, who is ex-  
pected back to-night. The State Fair  
Association, Inc., has been in session  
since the ground last October, when efforts  
were made to stop the sale of liquor at  
the fair. The State Fair Association, Inc.,  
has been granted a license to sell liquor  
at the fair.

Depositions of numerous persons in  
regard to the sale of liquor at the fair  
were taken yesterday afternoon, in the  
office of Mr. Willeroy, Leigh R. Page,  
attorney for the State Fair Association,  
was present on behalf of the de-  
fendant corporation. While the papers  
are not voluminous, taken as a whole,  
it will be a considerable task to digest  
them, and it is expected that it will  
be the latter part of next week before a  
decision in the case is rendered by  
Judge Scott.

Marriage Licenses.  
Licenses to marry were issued yesterday  
by the clerk of the Hustings Court to  
Thomas H. Ferguson and Annie V. Broad-  
wick; Frederick William McWane, of Lynch-  
burg, and Ida Lyman, and John L. Cox  
and Margaret A. Harris.

Suits in Circuit Court.  
Suits were brought in the City Circuit  
Court yesterday as follows:  
The Chalmers Motor Company, Detroit,  
Mich., against B. A. Blenner, \$750.  
William H. Tallaferra, by Daniel Tallaferra,  
against Thomas E. Elmore, \$2,000.

Reckless Driver Fined.  
John Walker was fined \$10 and costs yester-  
day morning in Police Court for recklessly  
driving a team in the streets.

HEAR IN INDICTION  
ARGUMENTS LATER  
Attempt to Stop Sale of Liquor  
at State Fair Is Postponed  
for a Few Days.

Owing to the unexpected absence of  
Judge R. Carter Scott, of Henrico Cir-  
cuit Court, Attorney W. A. Willeroy,  
counsel for the complainants, has de-  
cided to postpone action on the applica-  
tion for an injunction to restrain the  
Virginia State Fair Association, Inc.,  
from exercising the privileges granted  
it by the State Fair Association, Inc.,  
it was decided yesterday, when the ab-  
sence of Judge Scott was called to Mr.  
Willeroy's attention, to have Judge  
William A. Moncreu, of the City Chan-  
cery Court, hear the arguments in the  
cause, but later this plan was dropped,  
it being thought advisable to await  
the return of Judge Scott, who is ex-  
pected back to-night. The State Fair  
Association, Inc., has been in session  
since the ground last October, when efforts  
were made to stop the sale of liquor at  
the fair. The State Fair Association, Inc.,  
has been granted a license to sell liquor  
at the fair.

Depositions of numerous persons in  
regard to the sale of liquor at the fair  
were taken yesterday afternoon, in the  
office of Mr. Willeroy, Leigh R. Page,  
attorney for the State Fair Association,  
was present on behalf of the de-  
fendant corporation. While the papers  
are not voluminous, taken as a whole,  
it will be a considerable task to digest  
them, and it is expected that it will  
be the latter part of next week before a  
decision in the case is rendered by  
Judge Scott.

Marriage Licenses.  
Licenses to marry were issued yesterday  
by the clerk of the Hustings Court to  
Thomas H. Ferguson and Annie V. Broad-  
wick; Frederick William McWane, of Lynch-  
burg, and Ida Lyman, and John L. Cox  
and Margaret A. Harris.

## POLICEMAN'S KEY STOLEN

When Traffic Policeman Sims Went  
to his home, 215 South Laurel Street,  
yesterday afternoon, he opened his  
front door with his latchkey and ab-  
sently-mindedly left the bunch, including  
his patrol and five keys, dangling from  
the lock. When he missed them and  
returned, he found them gone.

"Unless some one stole the keys, I  
have no idea what became of them,"  
said Sims last night when he enlisted  
the services of his brother officers.

Mounted Policeman Smallwood also  
turned up at the Second Station minus  
a portion of his equipment. Some time
